Forecast for Saturday 29 May 2021

Weather: Cloudy overnight with a few clear spells, mist and fog will develop in prone spots and maybe slow to clear in the morning. A mix of cloud and sunny spells, scattered low cloud will linger but it should clear in the afternoon with good sunny spells developing and feeling warm in the sunshine.

Chance of cloud free mountain/hill tops above 700m: 60% improving to 90%, some low cloud lingering around the tops especially in the morning.

Visibility: Generally good visibility but scattered cloud will cover the tops at times in the morning above 500m, this will become patchy in the afternoon with most peaks clear apart from those further east.
